

# Our Values

## **Professionalism**

We believe in fostering innovation and striving for excellence in an atmosphere of openness, mutual respect and courtesy.

## **Leadership**

We believe that leadership potential exists in everyone. Leadership inspires commitment and energizes us to achieve our mandate.

## **Integrity**

We believe in fairness, mutual respect, trust and honesty in all facets of our lives.

## **Collaboration**

We believe success is achieved through working together.

## **Work/Life Balance**

We believe in balancing work, family and community commitments.
