

# Attachment 1 Revised QA Model – Simplified

## Step One

### Self Assessment

All nurses submit their Learning Plan when completing Annual Membership Renewal

A number of nurses are randomly selected for Step 2, Practice Assessment

**Successful** renewal; nurses may be randomly selected for Step 2

## Step Two

### Practice Assessment

All selected nurses must submit the following for assessment:

- Multisource feedback questionnaire
- Learning Plan (assessed for quality by a Peer Assessor)

**Successful;** exit program

## Step Three

### Further Practice Assessment

If unsatisfactory in Step 2, nurses must:

- Revise and resubmit their Learning Plan
- Undergo further practice assessment

**Successful;** exit program

## Step Four

### Remediation

If unsatisfactory in Step 3, QAC may direct nurses to complete remedial activities, impose terms, conditions or limitations and/or refer nurses to the Inquires, Complaints and Reports Committee (ICRC).

**Successful;** exit program with satisfactory completion of remediation
